Secretary's Report 2022 AGM

COVID-19 has caused 2021-2022 to be another challenging year. Barefoot Bowls has once again exceeded our expectations in numbers and helped the club to survive the financial challenges along with a number of much appreciated government grants.

I would like to say thank you to all club members for their support through challenging times. The Board has worked tirelessly again throughout the year while health regulations, restrictions and guidelines were changing. We now seem to have some stability in the government regulations, the economy and the community. It is especially pleasing that Maureen Reynolds, Shaun Myers and Richard Holland have agreed to continue in their roles of Deputy Chairman, Bowls Director and Promotions Director. John Thompson has generously supported the board members throughout the year with maintenance at our facility.

I would like to thank my fellow Board Members and all our volunteers for their extremely hard work as they have helped move our club forward.
