Richard Holland

Pekish / COGBC Award:

Richard Holland, Helen Boulton, Shirley Lane, Dee Pedersen +43 shots

BOWLS DIRECTORS ANNUAL REPORT MAY 2021/22

This year saw us enter an additional side midweek, and we managed to field teams every week although on occasion the lowest side played 1 short. Thank you to everyone who made this happen we had some late fill ins which helped a lot.

With the number of new recruited and new Bowlers there is a fair chance we will require the addition of another Saturday pennant side next year and it's great to see the Club growing in numbers.

City of Geelong again showed a keen hunger for improvement, which showed not only in the number of members attending Coaching but also the number of members entering Club and GBR events. I hope we continue to show the strength of our club in the coming years in these events.

There will be many changes this year if GBR continue with their planned changes to Pennant, I hope all Bowling members will show club allegiance and compete for the good of the club in whichever position or Division you may play.

Veronica Kelly, Kerry Gooley and Lorraine Myers were selected to trial for the GBR. Veronica and Kerry were in the final selection and represented at Moama but unfortunately Lorraine had to withdraw for personal reasons. Zane Lugg represented the GBR in the Men's Provincial.

Well done to Neil Robinson and Lance Kelly winning the GBR 60+ Pairs. Well done to our Midweek Div 1 who won the flag this year and will now go on to compete in the State pennant championships to be held end of May again in Moama.

Thank you to all umpires, coaches, selectors & members who gave up their time to help out during the pennant season. Thank you to Graeme Radford and Peter Teplyj who have retired from their green keeping roles and Thankyou to Andy Hoskin and his new team of members stepping up to ensure our greens are kept in great condition. Thank you also to the members who run social days on Wednesdays and Saturdays.

Shaun Myers
