Promotions Director's Annual Report 2022

The past two years have allowed me to work on levels of delegation in the Promotion Director's Role.

These include:

Daryl Marende ... Corporate Sponsorship

Lorraine Myers ... Facebook and Social Media

Muriel Wells ... Website Administrator.

Russell Gray & Myself & Volunteer Teams ... Barefoot Bowls

Hugh MacPherson ... Media re Geelong Advertiser.

All these volunteers have worked tirelessly throughout a very difficult two years and all achieving great results.

Some of the other achievements are Acoustics Panel installed in the Members' Room, Painting & new signage for Front of building & also East wall, Major street sign with Led Screens approved & construction commencing shortly.

I want to thank my fellow board members over the past year for debating and making the tough decisions needed for this club to continue moving forward positively to be a successful bowls Club.
